Thin Brick | Black Beauty
Size | Imperial Size
Square Feet | 16,641 SF

KIER | KATOWICE, POLAND

Kler, with an exhibition area of 1/2 acre, was built in difficult conditions and unfavorable circumstances. The pandemic hampered construction progress, but did not stop it! The construction of the new Kler Salon in Katowice - a facility with unambiguous, intense and distinct architecture - lasted continuously for 12 months. Today you can view Kler's spectacular and sweeping interiors. A new place means new opportunities!

KING KLINKER THIN BRICK PASSES PCI PULL OUT TEST FOR ALL CLAY COLORS.
